Race Training Lane Policy

1. Training lanes are offered to race groups, and subject to availability.
2. Minimum two week advance booking required.
3. In advance of training, each group/organization must provide a copy of its liability insurance policy, with a rider showing Boyne USA, Inc. named as additional insured.
4. In advance of training, each group/organization must provide executed individual liability waivers, signed by each participant, including coaches (parent or guardian for minors younger than 18). Waiver link will be sent in reply to emailed lane request forms.
5. Resort reserves the right to cancel scheduled training if conditions warrant. In marginal or questionable weather, please reconfirm prior to traveling.
6. Groups may, in some cases, use resort-provided fencing, signs, and start house facilities if arranged in advance. Contact Devin Kurzhals to make arrangements. Use of extra equipment (fencing, gates, personnel, etc.) provided by Boyne Mountain is subject to an up-charge
7. Groups assigned to an 9:00 a.m. lane will use ONLY their designated training lane FOR ALL SKIING until after 9:00 a.m.
8. Use of SnowSports School line at lifts is not permitted.
9. Groups will remove all gates and equipment, and smooth out ruts and berms immediately following each session.
