

2018-19 Training Schedule / U8 & U10

Tentative schedule - check boynemountain.com for most up-to-date information, and for info on how to sign up for text updates.

Season membership includes all training sessions.

Holiday Camp is purchased as a separate add-on to season membership.

Most sessions are held on North Boyne. Some will be held on Super Bowl or Nose Dive, depending on training needs. Location and schedule updates are provided to members through the Remind text system.

A one-session trial may be purchased by non-member athletes to try out the program, with advance approval by Cary Adgate or Erik Lundteigen.

...Strengthen the basics. In this important time, fundamental skills will be mastered. Sessions will be on flat/moderate terrain, transitioning into carving in brush gate courses and stubby courses, and then steeper terrain as skills progress. Participants must be able to load a chairlift without assistance and be capable of riding a chairlift without direct supervision.
