

2020-21 Training Schedule

Tentative - schedule changes due to weather and other factors will be communicated to members via the club Remind messaging system.

Season membership includes all training sessions except Holiday Camp. U12 & up groups (\$899) can attend all listed sessions. U8 & U10 groups (\$499) can attend all except Saturday afternoon and Monday sessions. The Holiday Camp is purchased as a separate add-on (\$199) to season membership, and all age groups can attend all eight sessions. The Holiday Camp is available for purchase to non-members at \$475. Non-member campers who subsequently elect to join for the season, will receive credit to the member price.

A one-weekend trial may be purchased by non-member athletes to try out the program, with advance approval by the director. Credit will be given for the weekend fee if the athlete elects to purchase the season membership.

U12 and older groups will generally train separately from the U8 and U10 groups, with exceptions to be announced via Remind or on the hill. Most training sessions are held on North Boyne. Some will be held on Super Bowl or Nose Dive, depending on training needs and snow conditions. Race coaching will be available on the Michigan Challenge weekend to those who enter the races.
