#### Points system

1. Points are completely calculated by the NASTAR software.
  - a. Best 6 racers count
    - i. Each racer scores points based on their handicap
      1. The best run from the best 6 are averaged. This gives the team points for the week
  - b. Max of 8 racers per night
  - c. Since the points are automatically generated, as well as automatically synced to the timing system, it is nearly mistake free.

#### Other Notes:

1. Helmets are required
2. No need to inform league manager if a sub is being used.
3. A sub can only be registered to 1 team.

#### Sign up procedure

1. Starting in 2020, captains were and are responsible for collecting team member information (email, team name, which division) and submitting a roster to [devin.kurzahls@boynemountain.com](mailto:devin.kurzahls@boynemountain.com)
2. Individual sign-ups and payments are not permitted if you are on a team. Please get with your captain to add your name to your team's roster. This should eliminate a large amount of confusion for staff at the start of the season. The cost for teams is \$300. The captains are responsible for lump sum payments and not partial payments.
3. **Don't have a team? Please email [devin.kurzahls@boynemountain.com](mailto:devin.kurzahls@boynemountain.com) to help you find a team in need of racers.**
4. **Looking to start a team? Please email [devin.kurzahls@boynemountain.com](mailto:devin.kurzahls@boynemountain.com) to help your new team get registered**
5. Payments must be received prior to the first race for teams. Individuals, with no associated team may continue to sign up, if there is a place for them on a team's roster.

#### Results

1. The results used come straight from the race file and is more accurate that when you find on NASTAR.com. Results printout pdf file will be sent out after every race.

## Etiquette and policies

1. Please respect all signs and staff members. Disrespectful behavior towards staff members (on hill or in the snowflake) may result in a season long ban or other punishment at the director's discretion
2. You may ask the race staff for your bib number for the first week of racing. After your first appearance, you'll be asked to exit the start and visit the flight board to find your bib number.
3. Please be safe and report any unsafe behavior/ conditions to the league staff or manager.
4. Remember fun is the most important part!

## Snowflake Lounge/After Party

1. TBD

## Cancellations

1. Devin will consult with Tyler Prange, Mark Skop, and Wolfgang Russold if a cancellation is necessary.
2. Factors: conditions (including visibility and course condition), weather and travel. All of this is regarding the safety of racers and staff.
  - a. COVID is also a factor for cancellations this year, and we must be prepared for this.
  - b. Please social distance, wear masks and wash your hands frequently as possible. If you are displaying symptoms, please stay home.

## General Rules/Policies:

1. The league manager is human and may lose small pieces of paper and other scrap material that you write notes on. Email is the only acceptable way to submit questions, inquiries, corrections, and feedback.
2. The league manager would prefer email communication for feedback/concerns, so he/she may make the necessary changes in timely fashion.
3. This is a league owned by the racers that participate; the manager will conduct him/herself in a way that puts the majority interest (within safety protocols) ahead of the individual.
4. Please use your captains as a conduit/vehicle for communication with the league manager.
